

***Favorite Pictures of
Past and Present***

This is my mom and my dad. This picture was actually taken in 1980 by Sears. The photographer went to the apartment to take the picture.

This is my sister's birthday turning a year old. This is one of my favorite pictures because she is sooo cute.

This is my mom with my sister. My mom is pregnant with me.

This my cousin and me. Im the one in the white dress. I am the youngest of the four older female cousins.

This picture was taken when I was in photography class. For this project I had to immitate a famous photographer. I cant remeber who I immitated but I think it was Walker Evans.

I still ride on bus 20 when I go visit my grandparents. This is the bus stop where I get off.

This Stop-N-Shop Grocery store is right across my aunt's house. This picture is interesting because it was cloudy when I took it.
